Commercial Architectural Projects

This gallery contains a list of the current commercial properties / projects undertaken by Gray Fawdon and Riddle.

Please take a moment to view a cross section of our work. Due to the varied and custom nature of these designs a varied selection has been selected which is by no means a comprehensive reflection on work carried out to date.

Domestic Architectural Projects

The following gallery contains a cross section of the architectural designs undertaken by Gray Fawden and Riddle for the domestic market.

Please note that some of the designd shown are taken from housing developments as GFR not only design for small domestic projects but also for estate developments.
